**ICE! featuring *How The Grinch Stole Christmas!* by Dr. Seuss**

*November 12, 2009 – January 3, 2010*

With two million pounds of hand-carved ice, Gaylord Texan brings to life the Dr. Seuss holiday classic — *How The Grinch Stole Christmas!* In a series of colorful scenes straight out of the original storybook pages, the spectacular ICE! attraction brilliantly showcases how the "Whoville-hating" Grinch with a heart two sizes too small learns the true meaning of Christmas.

The unique attraction is created by 40 master artisans from Harbin, China, who magically transform 5,000 blocks of ice into the city of Who-ville. From the Grinch's frozen mountaintop lair and 20-foot high slides to a variety of family photo opportunities and the picturesque Who-ville including feasting Who's and Max the dog, the enchanting attraction is sure to make more hearts than just the Grinch's grow three times in size.
